

Imagine Lab
BY RANGAM

WHAT IS IMAGINE LAB?

WE ARE NOT JUST ANOTHER CREATIVE AGENCY

Our leadership within the disability and inclusion employment community enables Imagine Lab to bring aboard neurodiverse talent with who possess high levels of creativity.

Neurodiverse talent can light up your campaigns with unique vision and individual flair for creative thinking.

We have witnessed outstanding creative output that shatters the boundaries of conventional "inside-the-box" thinking.

Our Capabilities

All of these skills are contained in-house

- For 25 years one of Rangam's secret weapons has been our full service internal creative services business, which traditionally services Rangam and sister companies.
- Our Imagine Lab talent has the full support of solid account management and our internal agency

Imagine Lab pairs our traditional internal agency with our team members who are differently
 abled to generate new ways of thinking.

We are a full-service agency with extraordinary creativity...
