

Rangam is an innovative workforce solutions company delivering holistic products and services to accelerate meaningful employment for everyone! Rangam is minority woman and disability owned with a vision of connecting talent, communities and employers!

SourcePros is a diverse hiring solution and technology platform that **delivers** end-to-end recruitment assistance, including:

Contract, contract to hire and direct hire support

Direct sourcing program design, talent curation

SOW engagement

MSP/VMS recruitment partnerships

Tier-1 diversity spend tracking

SourcePros **delivers** enterprise-wide workforce staffing solutions and technology to attract, qualify, and retain talent to match our clients' requirements while predicting talent success on the job.

SourcePros **leverages** 24x5 full-cycle recruitment, including industry-experienced recruiters and account managers with technical backgrounds. The SourcePros technology **supports** the recruiting life-cycle while it **manages** candidate and client information, reporting, and analytics.

Our Rangam team of recruiters quickly moves through the recruiting process and **provides** top-quality candidates to our clients. In addition, Rangam utilizes the SourcePros reporting functionality to **assemble** talent communities and **build** candidate pipelines specifically for client needs.

SourcePros is the key to Rangam's success, **enabling** teams to stay on task, **guiding** workflows through process completion, and **delivering** on client goals and deadlines.

“

“The best thing about working with Rangam is they were very sensitive to what my needs were and there was very good alignment with the services provided and what they could do for me”

- Project Manager
Pharmaceutical Consultant
