SourceAble™

Source. Scale. Sustain.

Powered by RANGAM

WE DELIVER COST EFFECTIVE DISABILITY HIRING SOLUTIONS

SOURCE

Attract qualified candidates with autism and disabilities

SCALE

Expand your pilot throughout your network

SUSTAIN

Manage and grow your program effectively

Who We Are

SourceAble is Rangam's autism and disability hiring platform that provides a collaborative, holistic solution implemented to develop people, inclusionary processes and a culture of belonging.

How we work

SourceAble facilitates the coordination and management of diverse hiring programs and brings them to life through digitizing the experience of attracting, onboarding, supporting and retaining qualified employees with autism and disabilities.

SourceAble Concierge

SourceAble Concierge is your company's direct connection to autism and disability support, training, identification of program viable positions ...and more!

Subject Matter Expertise

- Guided, consultative support throughout the implementation process
- Virtual support from disability experts at your team and hiring manager's request
- Answer disability hiring / accessibility related questions
- Guidance for troubleshooting, coaching or resolve issues
- Assistance with identifying autism/disability accessible positions
- Worksite analysis and job profiling

Training & Development

- Content specific training for groups or quick training for individual managers
- Tips and best practices for peers, managers, ERG/BRG members, etc.

On-Demand Support Service

- Response within agreed upon SLAs
- Connection to a live expert
- Follow-up and check-ins
